BAR SERVICE

- A one-way system will be in operation, with the entrance through the main foyer and the exit via the Disabled entrance. Signage will be in place and Members are asked to sanitise their hands from the stations at the doors on arrival and departure.
- Members must register using the QR code when entering the clubhouse. Those who are unable to use this must inform a member of staff. In keeping with government guidelines we must retain these records for 21 days.
- The bar should not be approached to order under any circumstances.
- Staff will always wear protective face coverings. Members/guests **MUST** always wear masks in the clubhouse unless seated.
- A table service will be in operation. A member of staff will come to the table to take drink and food orders. Payment will be taken preferably via Club cards or contactless payments.
- Members are kindly requested to place used receptacles back on the tray prior to departure for the staff to collect.
